

**This is a critical moment.** Congress is considering a proposal to cut hundreds of billions of dollars from Medicaid (MassHealth in Massachusetts) and rip healthcare from millions of Americans. Why does that matter in MA?

**1 in 3**

state residents rely on  
MassHealth coverage.

**50%**

of Massachusetts children  
are on MassHealth.

We have the chance to stop these cuts if we act now. Join Health Care For All and our partners as we call constituents in key Congressional Districts to ask them to tell their members of Congress: **Don't cut Medicaid!**
